

## L'ENVOI ...

Here, in our “cellar-at-sea,”  
is the luxurious invitation  
to explore a whole world  
of pleasures-in-wine.

These limitless horizons of taste,  
from the world’s finest vineyards,  
reflect the whole pattern of  
our earthly kingdom.

Titles reach into history,  
evoking the rhapsody of Greek poets,  
Roman philosophers,  
French savants ...

“In water one sees one’s own face,  
but in wine, one beholds  
the heart of another.”

Allow us to draw from these selected  
reserves, cloistered in protective cradles  
in our “cellar-at-sea,” memorable wines  
to enhance the pleasures of your voyage.

In vino veritas ...

# AN ODE to Heidi Barrett

Heidi Peterson Barrett grew up in the Napa Valley in a winemaking family and was destined to become one of the world's foremost winemakers. It is said that winemaking is a combination of science and art. With her father a scientist-winemaker and her mother an artist, it's no surprise that Heidi's natural born talents led her to the wine industry. With great enthusiasm, a love for what she does, and an abundance of experience, Heidi's instinctive gift of integrating the art and science of winemaking is unparalleled. She has been a featured guest on several television programs, was Winemaker of the Year, made Parker's list of wine personalities of the year in 1994 and 1995 and is on Parker's wine heroines list of 1998, an honor bestowed upon only two people from the United States.
