All they have to do is pick which journey of wonder is right for them.

Sea of Cortez marine life

San Blas Islands, Panama

The wildlife of Alaska's Inside passage

Antarctica

Pristine and strikingly beautiful, this region of untouched ice-scapes, mountains rising from the sea, and diverse wildlife will take your breath away.

Antarctica guards its secrets for all but five magical months, when the sea ice slowly retreats and penguins, seabirds, whales and seals make their way south for an intense breeding and feeding season. Purpose built for polar regions, Scenic Eclipse's strengthened hull and Polar Class 6 rating allows safe access to places many others can't. Walk straight on to sea ice from the ship, watch penguin chicks hatch, see the arrival of seal pups and humpbacks – every voyage offers unique experiences.

The Americas & the Caribbean

A vibrant mix of cultures, stunning natural beauty, unique wildlife and glittering cities. Our Discovery Voyages along the diverse coastlines of the Americas will reveal a side to these continents we never knew existed. Witness the pristine wilderness of the Inside Passage as we glide effortlessly through this glacier-lined wonderland. Explore the jungles of Central America on invigorating hikes, marvel at the marine life in the Sea of Cortez and experience island life at its very best in the Caribbean.

The Arctic & Fjords

From the majestic fjords of Norway to Greenland's glaciers and the intriguing geology of Iceland, a voyage to the Arctic is unlike any other. Scenic Eclipse comes into its own in the Arctic – being purpose-built for exploring pristine polar destinations. Imagine soaring over cascading waterfalls of Norwegian fjords in our helicopters*, kayaking between enormous floating icebergs in Svalbard and discovering the Arctic marine-life during a submarine dive* in Greenland. This is simply the best way to explore this vast wilderness.

Europe & The Mediterranean

The azure waters of Europe and the Mediterranean Sea are home to infinite hidden jewels best explored on a Discovery Yacht. Throughout your guests' voyage, they'll dock

right in the heart of historic cities, visiting remote islands and avoiding long drives from commercial ports.

Sail the Mediterranean where the larger ships can't reach, from the small island of Paros, to the bustling city of Barcelona. Explore the seafaring ports of ancient civilisations, being immersed in local traditions old and new.

Polynesia and the Pacific Islands

The islands of French Polynesia offer a delightful blend of Polynesian and French culture. Expect strong cultural heritage, pink-sand beaches, crystal lagoons, spectacular moss-green peaks and two extinct volcanoes.

Indonesia

Indonesia is a melting pot of culture. Located in the 'Caral Triangle', the islands of Raja Ampat and Papua New Guinea are extraordinary.
